It is mandatory that all children under the age of 3, newly potty trained, or children not yet potty trained, wear a reusable swim diaper. A reusable swim diaper is a cloth, washable diaper with elastic around the legs and waist. These diapers must fit snugly around the leg and waist. Bowel Movements in the pool are a health hazard and may cause us to close the pool. Do not substitute: plastic training pants or regular diapers of any kind. Use ONLY the approved swim diapers available at Dolphin Academy Swim School or the IDENTICAL brand from another vendor. Dolphin Academy Swim School offers an appropriate swim diaper at the facility. I have carefully read the above liability release and sign it with full acknowledgement of its contents and significance.
